

# WEST SHORE ORCHID SOCIETY

## JUNE 2014

NEXT MEETING	Wednesday, June 18, 2014	
TIME	6:00 p.m.	Conversation, Show Table plant registration.
	6:30 p.m.	Wayne Roberts will discuss repotting your orchids. Members can bring in one plant and he will work with them on repotting it. Roberts Flower Supply will provide the mix and he will have plants for sale if anyone wants to try their hand at repotting and doesn't have an orchid to work with.
	7:00 p.m.	Program: We will have a panel of expert growers to answer your questions and diagnose your problems. Bring in any live plants you may have questions about; any and all questions will be answered. If it's a plant disease, please seal the leaf or plant in a clear plastic bag so we don't spread a NOT so good thing around to other plants. Wayne and Edgar will be bringing in plants for sale.
PLACE	North Olmsted Community Cabin, 28114 Lorain Road, North Olmsted	

### PROGRAM

SHOW TABLE	Our show table was again fabulous in May. We had 79 plants brought in for display. Where were all these gorgeous plants for our show displays? Our contest is heating up, so bring in your plants for judging at the June meeting. Again, you earn 10 points for 1 <sup>st</sup> , 6 for 2 <sup>nd</sup> and 4 for 3 <sup>rd</sup> place winners. You also can win 8 points each for best species or best miniature. Anyone bringing in a plant receives 1 point for each plant brought to the show table and registered. As mentioned before we had about a third of our membership bring in plants for the show table in 2013. Our goal for 2014 is to get 100% participation. So bring in your plants and let the competition continue. We will have two volunteers do the show table judging at this meeting.
------------	---

### ORCHID CALENDER

#### **WSOS Meeting**

**When** Sunday August 17, 2014 – 12:00 PM Conversation, 1:00 PM Picnic, 2:00 PM Plant Auction

**Where** Columbia Park – Rte. 82 and W. River Road

**Description** We will have all the details for our annual picnic and plant auction in the August newsletter.

### ANNOUNCEMENTS

It is still show time and we are looking for plants to display at the Mid-America Orchid Congress Show in Columbus this November 7<sup>th</sup>, 8<sup>th</sup> & 9<sup>th</sup>. Start grooming your plants for this event.

**FOR ALL:** Those people bringing plants to any of our displays we will be setting up at the various shows please include a sheet of paper with your name, the plant's name and the cross if you know it. The plants name and cross should be found on its label. Orchids with no identification tags or labels can still be displayed as unknown. This information written down on paper makes it easier for the person setting up the display to fill out the registration forms and labels for all the plants in the display. Better yet, make out one of the registration tags we will have available at any of our meetings for each plant similar to what we have been doing for the plants on the show table over the last several months. Also put your name on the pot. This can be an address label somewhere on the pot making it easy to get the plants back to their owners.

### MAY SHOW TABLE WINNERS

GREENHOUSE Professional	First	Dockrillia wassellii	Edgar Stehli
	First	Den Guntun Snriso	Wayne Roberts
	Second	Phrag BelCroute 'Windswept's Whiskers'	Edgar Stehli
	Third	Cyp fascialatum	Wayne Roberts
GREENHOUSE Amateur	First	Catasetum tenebrosum	Bill Cruce
	First	V. Lumpini Red	John Rini
	Second	Onc longipes	Bill Cruce
	Second	Encyclia vitellina	Bill Cruce
WINDOWSILL & UNDER LIGHTS	Third	Onc macrantum	Bill Cruce
	First	Phrag wallisii	Mary Beth Mansour
	First	Paph primulinum x Stone Lovely	Katherine Binder
	Second	Phal bastianii	Darryl Everett
FEWER THAN 20 PLANTS	Second	Lc Irene Findly 'Springs Best'	Patty Conrad
	Third	Milt Ambre x Lyce Waihae 'Cream Puff'	Allan Lund
	Third	Den Oriental Smile	Debbie Gotsch
	First	Onc. Shelob Tolkein	Irene Diritsky
BEST SPECIES	Second	Phal Hybrid	Anita Vergilii
	Third	Phal Hybrid	Fred Hetzel
		Neofinetia falcate	Edgar Stehli
BEST MINATURE		Pleuro brighamii	Patty Conrad
		Smitinaudia micrantha	Wayne Roberts
		Phal parishii	Allan Lund

### SHOW TABLE STANDINGS FOR 2014

STANDINGS FOR 2014	Greenhouse: Pro	Points
	Edgar Stehli	77
	Wayne Roberts	62
	<b>Greenhouse: Am</b>	
	Bill Cruce	82
	John Rini	71
	<b>Under Lights/Windows:</b>	
	Katherine Binder	51
	Allan Lund	38
	Patty Conrad	29
	Mary Beth Mansour	29
	Darryl & Pam Everett	28
	Bob Lum King	20
	Bob Galaska	15
	Chester Kieliszek	13
	Debbie Gotsch	13
	Jerry Echols	11

Pat Corbett	6
Dave Miller	2
Marolyn Smith	2
Charlene Kiehl	1

**Less Than 20 Plants:**

Joyce Shramo	32
Irene Diritsky	12
Bob Heidelman	11
Anita Vergilii	9
Terri Hudak	8
Fred Hetzel	5
Wilma Kelch	2
Keith Alexander	2

Thank you to all who brought in their blooming plants for our members to enjoy on the show table and good luck with this year's contest.

We had 36 entries in the Orchid Society of Northwestern Pennsylvania show and we did very well as you can see below. Thanks go out to Marolyn Smith and Pat Corbett who gave up part of their Mother's Day to drive to Erie to tear down and bring the plants and ribbons home, they were also part of the set up on Friday with Allan Lund, John Rini and myself.

**ORCHID SOCIETY of NORTHWESTERN PENNSYLVANIA SHOW WINNERS**

Exhibit		Blue
Bob Galaska	Phal Sogo Grape 'Fireball'	Blue
	Paph (Ang-Thong x Niveum) x Niveum 'In Charm'	Blue
John Rini	Sarc hartmanii	Blue
	V Lumpini Red x Dr. Anek	Blue, Best of Class, Memorial Trophy
	Epi bractescense	Blue, Best of Class
	Aeridovanda kinnarie	Blue
Allan Lund	Phal Lney Lin Stripe x Lady Sakora	Red
	Odcdm Burgundian	Red
	Den Little Green Apples	Yellow
	Milt Hajime Ono 'Maui Splash'	Blue, Best of Class
	V Bangkok Brown	Red
	Den findleyanum	Yellow
Pat Corbett	Phal Hybrid	Red
	Phal Hybrid	Yellow
	Den tanii	Red
	Den Micro Chips	Red
	Pottery	Yellow
	Pottery	Yellow
Fred Bess	Bonatea speciosa	Red
	Anacamptis morio	Yellow
	Cyp kentuckiense	Blue
Marolyn Smith	Cym Cherry Cola x Dayanum '15'	Blue, Best of Class
Patty Conrad	Den filiform	Blue
	Ascofinetia Peaches	Blue
	Pro colmaniana	Blue, Best of Class
	Paph liemianum 'Rudolph' x 'Mo'	Red
Chester Kieliszek	Cym Hibrido Bosangles Dancon Mir	Blue
	Phal I-Hsin 'Black Spot'	Red

I would like to welcome the following new members to West Shore since the last newsletter went out, Mr. & Mrs. Ken Martin. If you have a friend who likes growing things bring them to our next meeting and introduce them to the wonderful world of orchids.

Anyone not receiving a newsletter email and wanting one can request it by emailing Chester Kieliszek at [kieliszekc@ferro.com](mailto:kieliszekc@ferro.com) and I will put you on the email list.

The current officer's terms will expire at the end of this year and new officers will be elected at the December meeting. Anyone interested in running for office can let one of the current officers know and we will add your name to the December ballot.

#### Current Officers for 2013 – 2014 Contact Information

President:	Teresa Nemeth	<a href="mailto:gardenguru@centurytel.net">gardenguru@centurytel.net</a>	440-233-8757
Vice President:	Wayne Roberts	<a href="mailto:rfs@orchidmix.com">rfs@orchidmix.com</a>	440-236-5571

Librarian:	Allan Lund	<a href="mailto:allan.lund320@gmail.com">allan.lund320@gmail.com</a>	
Show Chairs:	Wayne Roberts & Chester Kieliszek		
Immediate Past President	Chester Kieliszek.		

#### *From the President's Potting Bench,*

Most of your orchids are outside now enjoying the temperature change between day and night, the increased humidity, and even the oxygenated rain water of late. Plants love to summer outdoors and orchids are no exception.

Summer is an excellent time to divide and/or repot your orchids. The WSOS culture corner (6:30pm) will be a repotting session with Roberts Floral Supply providing the mix. Any member unsure of how to divide or repot an orchid may bring in ONE plant for some one-on-one advice.

The general meeting (7pm) will be focused on YOU, our members. We will have a panel of "expert growers" to answer your questions and/or diagnose your problems. Bring in any live plants you may have questions about; any and all questions will be answered. Culture questions, lighting, watering, what's bugging you, best media to use for "that" plant, etc. We need you, your plants, and your questions to make this interesting besides just entertaining. You may even write your questions down in advance so you don't forget. I know I will.

See you June 18th.

Teresa

WSOS has started planning for next year's show in March. To make things better, we would like to organize a 'show committee' that would add specialty areas like advertising, display, and ribbons (the judges would like to add honorable mention in the large categories). If you would like to be a part of this show-committee, please contact one of the officers listed above or talk to one of them at our meeting.

To keep our membership strong, we would also like to develop a position of Membership Chair. This individual(s) would develop a packet for new members to introduce them to the wonderful world of orchids and all that WSOS has to offer. If interested, please see Teresa

Meeting dates in 2014:

Weds. June 18<sup>th</sup>

Sun. August 17<sup>th</sup> Annual picnic

Weds. October 15<sup>th</sup>

Weds. November 19<sup>th</sup>

Weds. December 17<sup>th</sup> Christmas dinner and gift plants

A reminder, there will be no newsletter or meeting in July. Our next gathering will be our summer picnic and orchid auction tentatively set for Sunday, August 17<sup>th</sup>. We are again looking for plants for the auction and plant sale. We would like society members to donate repotted divisions, plants that have not bloomed, or plants that are just not wanted anymore. We normally have a pretty good selection of plants at bargain prices for sale. Anything in bloom usually is auctioned off. So while you're now repotting, put a few divisions aside for the plant sale.

### **CASH FOR BEST ESSAY**

The Mid-America Orchid Congress invites you to enter their essay contest. Write an essay on "My problem with orchids is..." (Writer fills in the blank) -- and win up to \$100.00! The essay should be no more than 500 words in length and submitted no later than October 1st to Doris Asher ([asherdoris@juno.com](mailto:asherdoris@juno.com)) -- winners will be announced at the Congress' Sunday Business Meeting in Columbus, OH, November 9, 2014. You do not need to be present to win. First prize wins \$100.00; second, \$50; third, \$25. All three prize-winning essays will appear in future issues of the Congress's newsletter, The Mid-American.

For more information or if you have questions, contact Doris Asher via email or by phone (517-332-0004).

#### **Columbus, OH Hosts MAOC Fall 2014**

The Central Ohio Orchid Society is pleased to be hosting the fall 2014 Mid-America Orchid Congress, November 6-9, 2014. The theme will be "Orchids Under Glass." In addition, the Cincinnati AOS Judging Center will hold their monthly judging at the show on November 8th. All meetings, exhibits, sales, and related events will be held at the historic Franklin Park Conservatory ([www.fpconservatory.org](http://www.fpconservatory.org)). Complimentary shuttle service is planned between all venues. Among the planned speakers are Alexaj Popow of Popow Orchids, Germany, (also a vendor with Popow Orchids ([www.popow-orchids.com](http://www.popow-orchids.com))), Andrea Niessen, Colombia, (also a vendor with Orquideas del Valle, [www.orquivalle.com](http://www.orquivalle.com)), and Patricia Harding, Lebanon, OR. Confirmed vendors include Ecuagenera, Peruflora, Ten-Shin Orchids, Michel's Orchids, Schordje Orchids, Popow Orchids, Orchid Inn, Windswept in Time, Bexley Orchids, Roberts Flower Supply, New World Orchids and Orquideas del Valle. For more information and registration information, contact Tom Bell-Games at [Tom.Bell-Games@burgessniple.com](mailto:Tom.Bell-Games@burgessniple.com), check the Central Ohio Orchid Society website ([www.coosinfo.info](http://www.coosinfo.info)), or the Mid-America website at [www.midamericanorchids.org](http://www.midamericanorchids.org).

# Cymbidium

sym-BID-ee-um

These orchids are prized for their long-lasting sprays of flowers, used especially as cut flowers or for corsages in the spring. There are two main types of cymbidiums — standards and miniatures. Where summer nights are warm (above 70 F), only miniatures can be recommended, because many are more tolerant of heat and able to flower in warmer weather.

**LIGHT** is important for growing cymbidiums. Coming from cool and bright areas in Asia, they need high light but cool temperatures. In many southern climates, high summer temperatures, especially at night, may prevent the plants from blooming. The maximum amount of light possible, short of burning, should be given to the plants. This means only light shade during the middle of the day, or about 20 percent shade. In cool areas (such as coastal California), full sun is tolerated. Leaves should be a medium to golden green in color, not dark green.

**TEMPERATURES** are another critical factor in flowering standard and miniature cymbidiums. During the summer, standard cymbidiums are usually grown outside in semishade, where day temperatures should be 75 to 85 F (or more), but night temperatures in the late summer to autumn (August to October) must be 50 to 60 F to initiate flower spikes. Optimum temperatures in winter are 45 to 55 F at night and 65 to 75 F during the day. When plants are in bud, temperatures must be as constant as possible, between 55 and 75 F. Miniatures can stand temperatures five to 10 degrees higher than standards and still flower. Most cymbidiums can tolerate light frosts and survive, but this is not recommended. Bring them inside when temperatures dip to 40 F. In mild climates, they can be grown outside year round. A bright and cool location inside is best for winter months.

**WATER** to provide a constant supply of moisture to cymbidiums, which are semi-terrestrial plants. They generally produce all their vegetative growth during the spring and summer and need the most

water during that period. Water heavily during the growth season, keeping the potting material evenly moist. Reduce water when the pseudobulbs complete growing in late summer. Keep barely moist during the winter.

**HUMIDITY** outdoors is usually sufficient during the summer, except in dry climates, where evaporative cooling in a greenhouse is necessary. Keep humidity at 40 to 60 percent during the winter, especially if plants are in bud. Keep the air moving to prevent fungus (*Botrytis*) from spotting the flowers.

**FERTILIZE** at the proper time to help cymbidiums flower. During the growth season (spring through late summer), high-nitrogen fertilizer (such as 30-10-10) is used. In late summer, use a high-phosphorus, blossom-booster fertilizer (such as 10-30-20), to help form bloom spikes. Fertilize at full strength every week to two weeks. In winter, fertilize once a month.

**POTTING** is usually done in the spring after flowering, usually every two years or when the potting medium decomposes. Shake all of the old potting mix off the roots, dividing the plant if desired. Pick a water-retentive potting mix; medium-grade fir bark with peat moss and perlite is a common mix. Select a pot that will allow for at least two to three years of pseudobulb growth before crowding the pot, while planning on placing the active growing pseudobulb(s) of the division farthest from the side of the pot. Spread the roots over a cone of the mix in the bottom of the pot and fill the container with medium, working it among the roots, tamping firmly.

Single backbulbs need not even be placed in mix until new growth and roots are noted. Keep shaded and warm until new growth sprouts, and pot as above.

The American Orchid Society is the world's leading provider of information about and related to orchids. We invite you to join us and learn about the world's most fascinating flowers and plants. Your membership entitles you to our monthly award-winning magazine, *Orchids*, 10 percent discount on items purchased at The AOS online store, free and discounted admission to more than 200 botanical gardens and arboreta and exclusive members-only online content.
